ALABAMA ART COLONY  
**2022 ARTIST'S RETREAT**

September 30 - October 4, 2022 • Children's Harbor • Lake Martin, Alabama

**Stan Kurth**  
Intuitive Painting  
[www.StanKurth.com](http://www.StanKurth.com)

Stan's workshops are designed to teach all levels of artists to work intuitively, without any preconceived notions or outcome. Students can use whatever mediums they choose (including oils). Instruction will start with random mark making and color application, creating a library of design elements using a variety of tools. It is entirely possible that finished work may be representational, but the goal is work which is compositionally pleasing and aligned with the artist's personal aesthetic.

**Nancy Chaboun**  
Oil Painting  
[www.NancyChabounFineArt.com](http://www.NancyChabounFineArt.com)

This workshop is designed to create a relaxed, fun and informative workshop exploring the Alla Prima approach to painting, with an emphasis on concept, color and value relationships, edges, and capturing the feeling of light. Hints on how to make your paintings stronger through visual movement, paint application, brushwork and abstract design. Nancy will do several demonstrations and offer individualized critiques and instruction.

**Melissa Burrell**  
Torn Paper Collage

Creating beautiful works of art using ordinary items is the idea behind Melissa's Torn Paper Collage workshop. Colorful layered papers will be made using a gel plate and mark-making tools for one-of-a-kind collage material. Various techniques and tips will be shared throughout the process as we tear paper and apply it to a design on wood panel. Texture, lights, darks and color will be the primary emphasis in the design development.

**For more information and registration, visit [www.AlabamaArtColony.org](http://www.AlabamaArtColony.org)  
Room, Meals & Instruction  
\$750 Semi-Private Room • \$850 Private Room  
(CDC guidelines will be observed.)**

**You can register for Colony on our website....**

**[Http://Alabamaartcolony.org](http://Alabamaartcolony.org)**
